## Provide a steady supply

The industry's second worry is that a human rights group will carry out an anti-diamond ad campaign. That's not an irrational concern. Many of those involved in the debate, including Hall's office as well as British human rights group Given the role diamonds play in boosting the economies of Third World nations like Namibia and Botswana. "We are not planning anything, though obviously we can't stop anyone else," says the group's spokesman, Alex Yearsley.

The show, which opened Thursday and will run [links of london](#)5, comprises more than 40 pieces of contemporary jewelry - most of them necklaces - designed by the prominent Philadelphia artist in the last decade. Some are crafted in the shape of hardy urban weeds such as purslane, chicory and dandelions, while others are made from found objects such as discarded crack cocaine vials, spent bullet casings, cigarette butts and Bic pen caps [links of london jewellery](#)

Yager gathers her raw material from the sidewalks and streets around her studio at Ninth and Spring [Links of London Bracelets](#) where derelict buildings and empty lots attract more than their share of illicit activity and provide a steady supply of refuse. Shown in its entirety for the first time at the V&A, arguably the most important repository of decorative arts in the [Dome Jade Charm](#) Western world, her provocative collection forms a portrait of the one-block area and makes a striking visual statement about the condition of urban America and its historical roots.
